

*Little Sisters*  
By Summer Robidoux

Go! Go now!  
Wait! I've changed my mind.  
Even if I want to choke you,  
I cannot stand to have you far away.  
I love you always.  
Do you want to play?  
Dolls or tag or even color,  
Pick a game,  
I do not care;  
Except if you want to play that.  
And that.  
I like you rarely.  
You drive me crazy.  
Go now before our parents intervene.  
Wait! I've changed my mind.  
I'm bored.  
And even though you're mean,  
I still want you around.  
You're my sister  
A friend from start to finish,  
And admittedly,  
My love for you will never end.
